THE GREY STUFF

RECIPE:

WHAT YOU'LL NEED...

- 15 Oreos
- 14oz Vanilla Frosting
- Shortbread Cookies
- Red Velvet Mini Cupcakes (with the tops cut off)
- Raspberry Jam
- Sprinkles
- Piping Bag
- 1M Frosting Tip

INGREDIENTS...

1. Bake your Red Velvet mini cupcakes as directed on the box (or even better from scratch if you should choose). Once baked, cut the tops off of each cupcake.
2. Put the Oreos in a food processor until they transform into a coarse sand-like texture.
3. Mix your Oreo crumbles into the frosting. You can use a mixer, but you can easily fold it in by hand as well.
4. Transfer the Oreo frosting into a piping bag, with a star tip (with a larger opening).
5. Place a shortbread cookie on a flat working space or plate.
6. Add a small dollop of raspberry jam in the middle of the cookie.
7. Place an upside-down red velvet mini cupcake on top of the dollop of jam.
8. Put another dollop of raspberry jam on top of the mini cupcake.
9. Frost the entire Shortbread cookie surface and on top of the mini cupcake and jam. Create a mountain of frosting.
10. Add sprinkles, and enjoy!
